Fred N. Rubel, Chief  
Response and Prevention Branch

John Czapor, Chief  
Site Compliance Branch

The New Jersey Department of Environmental Protection (NJDEP) has requested EPA to perform a removal action at the abandoned Arkansas Chemical Company in Newark, New Jersey. I ask, that if you have not already assigned someone, an individual be assigned to initiate appropriate enforcement actions. Tom Kady is the On-Scene Coordinator assigned to the site. Tom can be reached at FTS 340-6621.
